## Corporate Training Briefing

### Welcome

To the company that can source and deliver all your training needs from initial training concept research to post event evaluation and all the steps in between!

### LRM at a glance - for those who don't already know us!

Planning your own corporate event, CPD training, or a conference is time consuming and costly. Areas like research and planning require specialist skills, and even administering an event can stretch your resources and your budget.

LRM Consultancy has been helping large organisations and blue-chip companies plan and deliver cost-effective corporate training events and seminars for more than 20 years in the fields of:

- Financial reporting, business finance, accountancy and audit
- Tax
- Law and regulation
- Corporate finance
- Practice management, professional development and personal performance development
- Charity sector
- Agriculture

### New website!

A completely redesigned and enhanced web site was launched this month by LRM Consultancy. With a totally fresh appearance and format, the new web site contains more client-oriented information on the services offered by our established training consultancy, both in sourcing speakers and event management from conception to completion and expanded information regarding the trainers associated with us, while also being more visually appealing and easier to navigate.

### Introducing Claire Dean - IFRS and UK GAAP Trainer

This month we have are introducing Claire Dean who specialises in delivering IFRS and UK GAAP courses to professionals in practice and in industry and commerce.

### People development through interactive training under pinned by professional acting skills!

LRM are now working with Patrick Bird whose unique background combines senior business and financial experience at both FC and FD level with professional acting. Six years ago Patrick changed career path to take a professional acting course and has since combined acting and performance skills with coaching and training. He facilitates behavioural change with the aim of improving performance for a variety of personal and business challenges using a wide range of tools including workshop facilitation and business simulation.

### HR Solutions

Managing your workforce correctly and maximising their skills, knowledge and performance is essential to any business success. Your staff are your organisation's greatest asset. To get the best from your people you need to invest in them. Training is one of the most important contributors to the development of your employees and your business. LRM has for many years worked with Toni Trevett an HR consultant specialising in delivering training on management development and HR skills as well as employment issues.
